It's a Great Day at OLA

May 2024

Mary's Month

Mary and Jesus

By Caelyn Taylor-Henson

The liturgical month of May is dedicated to the Virgin Mary, Mother of God.

BAY ST. LOUIS-In the Catholic Church, it is a Catholic tradition that May is dedicated to Mary, a time when spring is around and at the peak of its beauty. Spring is also a time of nature renewing itself, and in Her way, Mary brought new life into the world when she gave birth to our Lord and Savior, Jesus Christ. May is a time for new beginnings and a chance to start with gratitude and devotion. Giving devotion to Mary is essential in the Catholic Religion as our mother, Mary, is an example of a committed woman who said “**Yes**” to God’s will. In most Catholic Churches, a “May Altar” includes a Mary statue with pictures, candles, or even flowers. This altar will be standing from May 1st to May 31st to remind us of Mary’s importance in the life of the Church and our own lives. On top of that, many churches and families hold a “May Crowning,” presenting Mary herself with a crown made of blossoms, flowers, or other hand-made materials, honoring her queenship and significance as the mother of Christ, our King. In this beautiful month, also known as “Mary’s Month,” let’s give thanks to our mother Mary and all mothers around the world, pray a Hail Mary, and reflect on Her act of saying “**Yes**” to God.

A Fun Thursday: Student Council Hosts OLA Field Day!

Students participated in lots of fun activities!

By Anne Pierson Kane

BAY ST. LOUIS- Last Thursday was very eventful at OLA. The day started with the May Crowning/Ring Ceremony Mass. Grades were separated into groups, competing against other grades. The activities included four different relay races. These games were the over-under relay, a chicken/ wheelbarrow relay, the 5-legged race relay, and a stilts/ egg-on-a-spoon relay. During the chicken/ wheelbarrow relay, one person ran across the gym in an inflatable chicken suit. The following person crawls while someone else holds their feet.

“It was funny to see everyone in a chicken suit. Especially Coach Corley”, says senior Marley Kinniburgh. “My favorite game was over-under. And the snowballs were really good”, says Laney Fletcher. Once each group had done each race, everyone moved into the gym. In the gym, seniors who played sports were recognized. Following this, the annual water balloon fight was held. In conclusion, the day was a huge success! Every student enjoyed the day. Follow along for more information on OLA days!

Great Places for Students to Shop

Some great places and apps offer high school and college student discounts!

By Alexis Barrois

BAY ST. LOUIS- Many places offer student discounts that some students need to learn about. Places such as Wave Nutrition will offer students a one-dollar discount for any student who brings in their student ID on Wednesday. Seniors need to know shops, apps, and streaming platforms that provide discounts because they are about to go to college, and saving money is crucial. Apps that students use every day, such as Spotify, and streaming platforms, such as Hulu, offer student discounts for any college or university student for up to four years.

For more information, students can confidently reach out to businesses in their area and inquire about potential discounts.

Remember, discounts can vary depending on the business owners and locations, so it's always worth asking.

Boutiques for Summer!

Summer is almost here! Keep reading to find out the best places to shop for summer clothing.

By Claire Wojtowicz

BAY ST. LOUIS- Spring cleaning and warmer weather make room for a new summer wardrobe! But where should someone shop for the best summer clothes? Many boutiques from Bay St. Louis to Long Beach have summer clothes, from dresses to swimwear. Starting in Bay, The Boutique, located across the street from The Blind Tiger, has all things summer, from sunglasses to cute shirts, shorts, and dresses. Moving to Pass Christian, Sara Kate Boutique, conveniently located in the heart of downtown Pass next to the Hook restaurant, has all things summer, including cute jewelry, shoes, and handbags. Sara Kate has a large selection of dresses, from sundresses for summer events to formal attire. They also have a wide

variety of shorts, tops, swimsuits, and two-piece sets. In downtown Long Beach across the railroad track and above Forget-Me-Not Florist, Simply Jane Clothing Co. offers a clothing collection similar to The Boutique in Bay St. Louis. They have many fun jewelry and game-day outfits for Mississippi colleges. Remember to stop by one of these three shops when looking for new outfits for summer!

Teacher Appreciation Week

The Origin behind Teacher Appreciation week!

By Lily Fontenette

BAY ST. LOUIS - Teacher Appreciation Week dates back to the 1950s when Eleanor Roosevelt convinced Congress to pass a day to recognize teachers. Before Eleanor's involvement, it is presumed that some states did celebrate teachers. Many believe that a teacher from Wisconsin or Arkansas wrote letters to Eleanor to help get this recognition for teachers. Teacher Appreciation used to be celebrated on March 7th until 1984, when it was moved to May. Soon, the celebration was expanded to a week at the beginning of May. We now continue to celebrate Teacher Appreciation Week on May 6-10th.

Ring Ceremony

By Madelyn Johnston

Bay St. Louis—Our Lady Academy has many traditions. One tradition, in particular, has a beautiful meaning: the Junior ring ceremony. The Junior ring ceremony, a significant tradition at Our Lady Academy, is a moment when the outgoing Seniors pass on their legacy to the Juniors. This symbolic act allows the Juniors to begin crafting their own legacy for OLA, demonstrating their potential to excel. As they leave their mark on OLA, they can reflect on their ring, a tangible reminder of their time here. This ritual underscores the value of their OLA experience and their lifelong connection to the OLA Crescent. Knowing more about this tradition gives us a chance to prepare for our ring ceremony. This shows us how valuable our time at OLA is and how many memories we get to make before we leave. If your time at OLA is coming to a close, remember all the good times you've had.

Newly Baptized and Confirmed!

By Anna Kate Ivey

BAY ST. LOUIS—On Sunday, April 30, 2024, Kaila Seymour was baptized and brought into the Catholic Church! Kaila started her journey to becoming a Catholic after a Steubenville trip last summer. This retreat had a significant impact on her faith journey. In October, she began having a few meetings with Shelby Martin and Father Mike. She later joined Our Lady of the Gulf Confirmation classes and attended a few RCIA events. Kaila is hugely excited about this new chapter of her life in Christ and looks forward to becoming closer to God in the future!

May Mary Crowning By Madelyn Johnston

Bay St. Louis- May Mary Crowning is an OLA tradition that goes back many years. For many years, the OLA family has performed this tradition alongside another OLA tradition, the Junior Ring ceremony. We honor Mother Mary for all she has done by performing the Mary crowning. The May crowning is a symbol of not just honoring Mary but honoring all of the Mothers of the world. Our Mother Mary is a prime symbol of Motherhood for all mothers. She shows us what a mother stands for and what a mother should do. A scripture from Luke 1:26-38 says, “Then the angel said, “Do not be afraid, Mary, for you have found favor with God. And behold, you will conceive in your womb, bring forth a Son, and shall call His name Jesus.” This scripture shows us that Mary was faithful to God and gave up her life to be the best mother to God’s son. By honoring and teaching about Mother Mary, she shows us the best example of a mother. A mother does not have to be as perfect as Mary because everyone is different. This should show us that by honoring Mary, we should honor and appreciate our Mothers.

Saint Sebastian

By Ava Schmitt

BAY ST. LOUIS- St.

Sebastian was born in Gaul and later went to Rome to join the army of Emperor Carnius. After being in the military for a few years, became a captain under Diocletian. While he was captain, he converted many soldiers. Eventually, people found out about his conversion, and he was ordered to be killed with arrows. The archers left him for dead, but a Christian widow took care of him and brought him back to health. Sebastian then presented himself before Diocletian, who condemned him to death by beating. His body was thrown into a sewer and was found by another pious woman, who dreamed that Sebastian told her to bury his remains near the catacombs. Sebastian was an early Christian saint popularized by Renaissance painters. His feast day is January 20th. Sebastian is the patron saint of archers, athletes, and those who desire a saintly death. He was a strong and faithful Christian who encouraged others to follow God.

Senior Class Is Honored At The Senior Appreciation Breakfast

By Caroline Dufrene

Our senior girls had a chance to find connections in our community with leaders and officials.

BAY ST. LOUIS- On Thursday, April 25, Our Lady Academy, St. Stanislaus, Bay High, and Hancock High senior classes traveled to the Bay St. Louis community hall for the annual Hancock Chambor Education Breakfast. This is a time to celebrate the upcoming classes and bring about community connections as community leaders, elected officials, and esteemed school board members come to this breakfast. Seniors are welcomed by Dr. Raymunda Barnes, who is the Chairman of the Education Committee. Also in attendance is the vice president of the Pearl River Community College Hancock Campus, Dr. Barnes. This year's keynote speaker was Dr. Toy L. Watts, Superintendent of the Laurel School District. Marley Kinnibrugh says, "The senior breakfast was fun! There was plenty of good food and fellowship." Evie Boudreaux says, "The breakfast was delicious, and it was so much fun to get to see everyone." Blakelee Geil says, "The senior breakfast was amazing!" This is a perfect time for our seniors to close out their last year with fellow seniors and get to know people throughout our community.

Eighth Grade Pool Day

By Blakelee Geil

BAY ST. LOUIS- Every year, students who attend OLA are required to sell 50 raffle tickets for Hooray for OLA. This fundraiser takes place every year to raise money for OLA. Along with selling raffle tickets, you can have the opportunity to receive benefits. If you sell 100 raffle tickets, you can have a beach day. The grade that sells the most tickets as a class gets the opportunity to have a pool day. The eighth grader won and got to celebrate their win. Altogether, the class sold over 3,000 tickets. Then, On Monday, May 6th, the eighth graders got on the bus and went to the north pool in Diamondhead. Three parents and Ms. Mcraney chaperoned them. They stayed at the pool from 8:30 until 2:45.

Cinco de Mayo

By Isabella Kerner

May 5th is arriving soon! Read all about the history of Cinco de Mayo and the traditions that follow it today!

BAY ST. LOUIS- Cinco de Mayo, which also translates to the fifth of May, celebrates Mexico's victory in the Battle of Puebla. The Battle of Puebla occurred in 1862 during the Franco-Mexican War. At the time, Mexico was in financial ruin and incredibly in debt to most of Europe. Spain, France, and Britain sent forces demanding payment. While Spain and Britain could agree with Mexico, France sought power. Napoleon III sent the French troops to Mexico to establish dominance over and claim states in Mexico. The Mexican army ultimately overpowered the French, establishing Mexico's victory. While Cinco de Mayo is considered a famous holiday celebrated throughout Mexico, it is mostly celebrated in America. Many Americans enjoy celebrating Mexican culture and commemorating their heritage. Residents of Puebla, Mexico, may celebrate Cinco de Mayo with military parades and festive activities. In America, many families may celebrate Cinco de Mayo by eating together in Mexican restaurants, listening to Mexican music, hosting parties, and sometimes partaking in small parades. Today, Cinco de Mayo stands as a symbol of Mexico's determination to overcome foreign truculence. It is a celebration that welcomes everyone, regardless of their cultural background. Many local Mexican restaurants, such as La Chula and Avocados, embrace this spirit of inclusivity and celebrate Cinco de Mayo. So, on May 5th, why not visit your local Mexican restaurant, learn more about the history and traditions of Cinco de Mayo, and join in the festivities? It's a wonderful opportunity to experience the rich culture and heritage of Mexico.

Senior Spotlight: Grace Oliver

By Ava Schmitt

BAY ST. LOUIS-Grace Oliver is a senior at Our Lady Academy and has attended OLA since seventh grade. Grace has one sibling, a brother, Adam. Grace is attending Ole Miss next year, majoring in nutrition and dietetics with an emphasis on health and science. Out of Grace's entire time at OLA, she tells us that “my favorite memory is winning Intramurals with my class.” Grace is most excited about joining a sorority and making new friends in college. The highlight of her senior year has been spending the last few weeks with her best friends before graduation. Grace says, “My favorite class has been calculus this year because Ms. Ashley has been a great teacher and pushed us beyond our limits!” Grace has enjoyed her time at OLA, but she is off to succeed and grow.

Senior Spotlight: Sage Sortina

By Isabella Kerner

Get to know all about Sage Sortina before she graduates!

BAY ST. LOUIS- Sage graduated elementary school from Saint Charles Borromeo, beginning at Our Lady Academy in seventh grade. Her favorite thing about OLA is intramurals and the memories behind them. When Sage graduates, she plans to attend Pearl River Community College. There, she will study and major in nursing. When asked what Sage would miss most about OLA, she replied, “I'm going to miss a lot of my classmates and teachers.” Outside of school, Sage enjoys painting, going to the gym, and spending quality time with friends and family. She says, “My parents are very supportive and loving to me and without them I wouldn't be who I am today.” Sage also has a baby brother and four cats! Cats are her favorite animal.

Senior Spotlight: Eva Wittman

By Anna Kate Ivey

BAY ST. LOUIS-Eva Wittman, a 2024 Our Lady Academy graduate, plans to attend Ole Miss in the fall! For elementary schooling, she attended Holy Trinity. As for family life, Eva's father is a lawyer, her mother houses people experiencing homelessness, and her brother Philip lives in Starkville. She owns a dog named Sandy, who is nine years old. Reading, tanning, and hanging out with her friends are some of Eva's hobbies. She enjoys dance and is a member of the St. Stanislaus cheerleading team. What Eva loves most about attending OLA is how comfortable she is with her classmates and "how we have such a bond from being here together all day without phones." Winning Intramurals with her class and Mrs. Cranford screaming bloody murder at her to stop reading a novel are two of her favorite memories from OLA. "That is the maddest I have ever seen her!" stated Eva. After graduating, she will miss going to an all-girls school, not brushing her hair, and some of her teachers.
